

Details for the CCNA part-time course at the Nelson Mandela University in 2021:

CCNA Modules 1-3

The course will be offered part-time over 32 weeks. (Two four-hour sessions per week). The course will start in March and run through to October/November.

Cost

CCNA Module 1-4 **R7000** per module (there are 3 modules)
Module fees include all course materials, textbooks and handouts.
Total cost for the four modules is **R21000**.

Payment Options (all payments must be made in 2021)

First Option:

- (10% discount applies if this payment option is used – total cost is **R18900**)
- A 60% deposit (**R11340**) of the course fee has to be paid **by no later than 28 February 2021**. The balance of **R7560** must be paid by 30 April 2021.

Second Option:

- Payment of **R7000** per module before commencement of each module.

Note: Most major credit cards are acceptable for payment.

NB: FEES MUST BE PAID UP BY OCTOBER 2021

Cancellation of Course

Should a student cancel the course and request a refund, a written letter is required from the student or the company who have made the payment. A 10% cancellation fee will be deducted and the refund will be paid within 30 days.

Duration

Course commences in March and ends October/November. Classes take place twice a week (Monday and Wednesday) from 17h00 at Nelson Mandela University Summerstrand North Campus.

Time allocated for the classes is from 17:00 – 21:00. Class is open from 17:00 for the students to write exams, do practical etc. Classes start with theory at 17:30 and then continue with theory and practical until around 21:00.

Certification

A course completion certificate will be issued upon successful completion of each module. Students are strongly encouraged to also write the CCNA Industry Certification at a Pearson VUE Testing Centre on completion of the last module to obtain the CCNA industry certificate (the cost of this examination will be for the student's own account). A Pearson VUE Testing Centre is located at the Nelson Mandela University.

Prerequisites

Candidates should be computer literate (Microsoft Windows Desktop operating system – Windows XP recommended) and familiar with Internet usage. Previous basic computer and networking experience would serve as a recommendation, but is not a requirement.

NQF Levels/Accreditation from SAQA

As a public higher education institution, the Nelson Mandela University is accredited by the Higher Education Quality Committee of the Council on Higher Education.

The CCNA and CCNP courses are aligned with career / vocational certifications and are therefore *not* registered with SAQA. Cisco offers five levels of general IT certification: Entry, Associate, Professional, Expert and Architect. The CCNA and CCNP courses are pitched at the Associate and Professional levels within the Cisco Career Certification program. Various tracks—such as Routing and Switching, Network Security, and Service Provider—are available, so that the certification path can be matched to the job role in industry.

International students wanting to enroll

Please note that students are responsible to arrange their own accommodation, bursaries, Visas or study permits.
